Back

Click on save, the camera will automatically restart. Back to the gotocamera website background, refresh the page, you can see status of your camera.

Also can according to their own preferences, set up the camera function

The screenshot shows a dialog box titled 'Setup Auto-Record for IPCAM'. The dialog box has a close button (X) in the top right corner. Inside the dialog box, there is a section for 'I'd like to record' with two radio buttons: 'image' (selected) and 'video clip'. Below this, there is a 'From' field with the date '01/08/2013' and a 'To' field with the text 'Optional'. Below the 'From' and 'To' fields, there is a section for 'On' with two radio buttons: 'everyday' (selected) and 'the following days of the week:'. Below the 'On' section, there is a section for 'Repeat' with two radio buttons: 'once per day' (selected) and 'repeatedly'. Below the 'Repeat' section, there is an 'At' field with the time '09:20'. At the bottom right of the dialog box, there are two buttons: 'OK' and 'Cancel'.

You can also share with friends, or you can put the video, picture yourself.
